RESIDENZIALE

“Chiunque ad un certo punto della vita mette su casa.
La parte difficile è costruire una casa del cuore.
Un posto non soltanto per dormire, ma anche per sognare.
Un posto dove crescere una famiglia con amore,
un posto non per trovare riparo dal freddo
ma un angolino tutto nostro da cui ammirare il cambiamento delle stagioni;
un posto non semplicemente dove far passare il tempo,
ma dove provaregioia per il resto della vita.”
